

## **Instil the Gospel, our school and British Values through valuable learning opportunities that build upon knowledge and skills**

- Children learn to value everyone's differences and understand the importance of teamwork.
- To learn to respect others beliefs and values.
- Learn how to look after God's wonderful world.
- Contribute to keeping their world sustainable.
- Learn how to keep themselves and others safe.
- Keep themselves fit and healthy.
- The need to treat their environment with care and sensitivity

## **Inspire children to reach their full potential and create articulate and independent learners**

- Provide opportunities to meet a diverse range of people.
- Plan experiences to enrich learning, trips out to
- Encourage relationships with older year groups, nurture.
- Positive role models within EYFS.
- Value everyone's contribution and individual achievements – their personal best.
- Showcase children's achievement – proud wall, good news etc

## **Nurture a love of learning and self worth**

- Provide an environment where children feel safe and loved – calm corner
- Allow children to be themselves.
- A positive relationship with families to bridge between home and school.
- Consistent and clear expectations for all children.
- Build relationships with our school and local community.

## **Encourage resilience and determination**

- Create a safe space - Allow children to experiment, make mistakes, and learn from them.
- Promote teamwork - Help children develop skills like teamwork and problem-solving.
- Provide opportunities to learn in different ways
- Encourage independence and an I can do attitude.

## **Success**

- Offer a variety of opportunities so all children succeed.
- Showcase all children's individual achievements.
- Celebrate successes and encourage the celebration of others successes.
- Provide opportunities for shared success – [Nursery visit](#)
- Provide role models from all walks of life ( a diverse section of life)
