Congratulations to **Reception** amazing attendance this week!!!

133 pupils achieved 100% attendance this week – keep up the good work!!

School Target – **96%**

School Attendance – **91.8%**

Our attendance has been affected once again by sickness. If you have any concerns about your child's health, please see the attached information from the NHS Pharmacy First Service.

All absences should be explained by the parent before 9.00am or as soon as possible on the first day of absence.

School Council/ Eco Club Dog Fouling Campaign – We are very pleased that our dog fouling campaign has had some lovely positive feedback from our neighbours. We have received the lovely e-mail below from Amanda and her dogs, Professor Albus Dumbledog and Miss Ginny Woofsley.

Good evening,

I wanted to email the school regarding the children's amazing posters for cleaning up after your dog due to the terrible issue around the school premises. I often walk my own two dogs around there on my lunch hour and I am shocked at the amount of dog waste on the paths and even more shockingly, the wall attached to the school playgrounds! As a dog owner/ lover it saddens me the lack of respect and responsibility some owners have, and I want the children to know that, even if some will continue to make wrong choices, there are those of us who will watch out on our walks to help keep their school environment safe and clean!

You can continue to report the issue by following the link [Report a dog fouling issue - St Helens Borough Council](#).

Year 5 DT Lesson- Thank you to all the parents who came to join in with our sewing lesson, it was appreciated not only by the children but Ms Burgess too. The children had a lovely time learning new skills and no-one went home looking like a pin cushion 😊. As always it was great to see so many of you supporting our school.

Shoe Appeal – We are currently supporting Church with their refugee shoe appeal: we welcome any shoes, but particularly men's (all sizes). These can be dropped either at School or Church.
