School Drop-Off and Collection:

We are now four weeks into the term, and it is wonderful to see how well the children have settled into school life.

In order to support our safeguarding procedures and maintain calm, consistent routines, we kindly ask that parents and carers do not enter the school building during morning drop-off. This helps to encourage the children's independence and ensures that the start of the school day is calm and orderly.

There are members of staff at each entrance who will be happy to pass on any messages to your child's class teacher.

At the end of the school day, the teachers' priority is to ensure that all children are dismissed safely and correctly from their class. If you need to speak with your child's class teacher, please visit the school office to make an appointment. This can be arranged either face-to-face or by telephone.

Please can we also remind parents and carers to park safely and considerately outside the school when dropping off and collecting children.

Thank you for your continued support in helping keep our children safe.

Breakfast & After School Club – Please can we remind parents and carers to use the online **Eduspot system** to book your children into Breakfast Club and After School Club. Currently the system does not require payment to be made at the time of booking. However, we kindly ask that parents and carers ensure their payments are kept up to date.
